Health & Safety Company Statement of Intent

Andy Bullough, Director of Construction Interior Design has the primary responsibility for the implementation, maintenance of this Health, Safety and Environmental Policy and will:

- ∞ Ensure all personnel fully comply with our Health, Safety and Environmental Policy and associated Safety Management System throughout all levels of the business.
- ∞ Safeguard the Health, Safety and welfare of our employees or anyone who may be affected by our operations and provide them, so far as is reasonably practicable, with working environments that are safe and healthy.
- ∞ Communicate the Health, Safety and Environmental Policy to all employees undertaking works whoever their employer is.
- ∞ Provide sufficient resources for the full implementation of this policy.
- ∞ Ensure that all persons are competent to carry out their relevant duties and provide the necessary training, supervision, instructions and information.
- ∞ Conduct our undertakings in such a way as to ensure, so far as is reasonably practicable, that people not in our employment but who may be affected by our operations are not exposed to unnecessary risks.
- ∞ Conduct audits and inspections on our operations in accordance with the requirements of this policy to promote continual improvement.
- ∞ Actively involve and consult with our employees in matters that affect Health Safety and the Environment.
- ∞ Carry out operations under the control of preventative and protective measures that have been specified as a result of systematic hazard identification and suitable and sufficient site specific risk assessments.
- ∞ Assess and monitor our sub-contractors and suppliers to determine that they are competent to carry out their duties.
