## Quality Policy

### Mission:

Construction Interior Design aspires to act responsibly to ensure that it meets a high level of client satisfaction at all times.

### To achieve this, we will commit to:

- Understand our Clients needs and expectations and ensure they are met to achieve client satisfaction.
- Strengthen our relationships and encourage repeat business with existing clients.
- To develop staff potential through the provision of appropriate training.
- To engender a positive commitment to quality and create an environment of teamwork and co-operation that enables staff to work effectively.
- To develop, improve and implement the Quality Control Procedure.
- Review, build upon, and commit to our Quality Policy annually.
